Declaration of Conformity

Arnhem, 4 September 2003

Dear Mr Richard,

The technical construction file KA 13463 of the non-electrical part of your Loading Arms & Safety Access Equipment has been checked on completeness and has been approved as a complete file.

This means that you have complied with the procedure for the assessment of compliance according to the ATEX Directive 94/9/EC, Chapter II, Article 8, paragraph 1-b-ii and Annex VIII.

The technical construction file will be registered for inspection purposes for at least 10 years after the last piece of equipment was manufactured by Kanon Loading Equipment.

If you have any further questions, we will be pleased to answer them.

Best regards,

KEMA Quality B.V.

Marjan Jeurink
